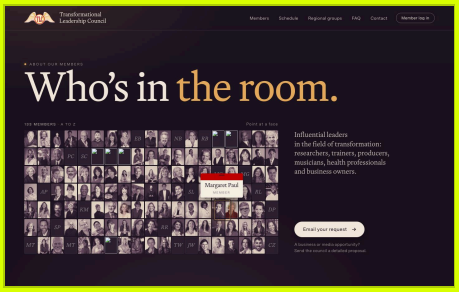
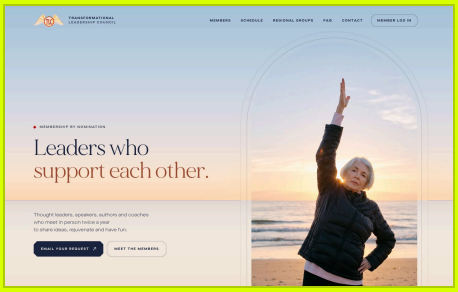
A new website for TLC.

Prepared for the council by Eric Berg, Crush



01 Who's in the room

02 Your stage



03 Shore at dawn

Your number

$1,500

Paid once.

Half at go, half at launch

$750 when you say go, $750 when your site is live.

Built within a week

of your go. You see every page before anything goes live.

Yours to keep

Site and files in your name.

What we built it around.

About our members.

Your homepage already lists all 133 members. Option 1 makes them the picture: every member A to Z in one wall of their own portraits, a name badge moving from face to face, and each face opening its profile.

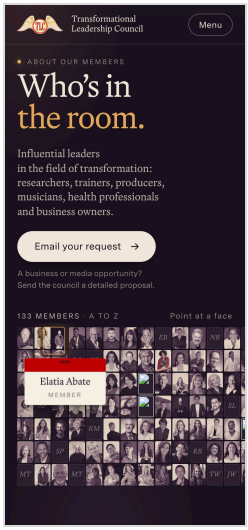
Founded in 2004 by Jack Canfield.

Option 2 stays inside your own brand: the winged TLC emblem and red wordmark on your meeting stage, Jack in front, and a board that flips through every place the council has met, under the next dates.

Share ideas, rejuvenate and have fun.

Option 3 is light and open: a dawn sky with one arched doorway onto the shore photo from your Schedule page, under the line about leaders who support each other.

Today



New, on a phone

All in the price of your website.

The website

A new site for TLC: the homepage, your members, the meetings and schedule, regional groups, the FAQ and a clear way to send a proposal, built out from the top you've just seen. Built within a week of your go.

An animated promo

A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.

A designed email

Designed for your member emails, so meeting news and registration reminders arrive in the same look as the new site.

Twelve ads

Twelve graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.

A front desk

First month on us

From Hire Whoever, our sister company: a voice assistant that answers callers asking about the council, membership and meetings, and every call becomes a short written record.

Unlimited small changes

For the first 30 days, anything you send is live the next business day. After that, small changes stay free: a price, a photo, your hours, a line of text. Text or email it and it's done within the week.

Launch email setup

Included when you say go before 2 December 2026

We set up the launch email and line it up for your members, ready to go out on launch day.

$1,500, paid once. Nothing that comes with it is billed separately. All prices in US dollars.

Built within a week of your go.

Day 0

You say go

You pay the 50% deposit and give us access to your domain and your Wild Apricot account. Your live site won't change until you say.

Days 1 to 7

We finish the site

We build these pages into your full site. You see every page in a preview before anything goes live.

Launch

It goes live

The new site goes live on your domain, and the launch email is ready to go out to your members with it.

After launch

Changes, on us

For 30 days, anything you send is live the next business day. Small changes stay free after that.

Launch day depends on you too: the sooner your answers and approvals come back, the sooner it's live. If we're ever the hold-up, your first three months of Steady, our monthly care plan, are on us.

"As a business owner, having someone you can trust with your website is invaluable, and Eric has absolutely earned that trust."

Midwest Peps, online store, Kansas

"We weren't planning to rebuild the website for our cafe, until Eric from Crush approached us... We're so glad he did!"

Alejandra Dominguez, Switchboard Cafe, Salt Spring Island, BC

"...completely modernized the site while keeping its identity, its history and the content I care about."

Vincent Cheville, Volcano Explorer, La Réunion (translated from French)

Yours, start to finish.

What you own

The site and every file, in your name.

Your members, photos, meeting history and contact details carry over.

No commitment on anything monthly. Cancel anytime; the site stays yours.

When you say go (50%)	$750
When the site is live	$750

All prices in US dollars.

When you want more.

Small changes stay free, so you never need a plan to keep your site right. These are for when you want us working on it every month: no commitment, cancel anytime.

Questions.

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

Who owns it?

You do. The design and every file sit in your name. Your domain stays with you; nothing of ours renews unless you ask.

How do I make changes?

Text or email me the change. For the first 30 days, anything you send is live the next business day. After that, small changes stay free, done within the week: a price, a photo, your hours, a line of text. Something new, like a page or a feature, gets a price before we touch it, or a monthly plan covers it.

When do I pay?

Half ($750) when you say go, the rest ($750) when the site is live. You've seen the homepage before paying anything.

Does Wild Apricot change?

No. Member log in, the directory, meeting registration and dues keep running in your Wild Apricot account, and the new pages link straight into it.

What about the next meeting?

The schedule is easy to keep current, and I'll load the 2027 dates and your full meeting history in as part of the build.
